

MEDICAL.

PROFESSOR

J. Henri Manville, M.D.

—OF—

PARIS, FRANCE.

Formerly Superintendent of the Pitts Medical and Surgical Institute, has arrived in Canton. Dr. Manville thinks of settling here, and has engaged over his office for the present. Dr. Manville comes very highly honored with testimonials from such men as the Hon. Will Cumbuck, ex-governor of Indiana and Senator; Dr. W. H. Allen, of Boston; Dr. Van D. D., who represented Indiana in the First World's Hygienic Congress in London.

Dr. M. is a regular practitioner of 18 years' experience, gives special attention to all

CHRONIC DISEASES,
PARTICULARLY
DISEASES OF WOMEN
AND CHILDREN.

He treats chronic cases by the

NEW FRENCH METHOD,
which is generally adopted now by the London Loco Hospital, the Middlesex, the Brompton Hospital, and others throughout Europe. The Doctor succeeds fails to give you his honest opinion in either event.

Dr. Manville diagnoses chronic cases by a new and entirely different method from that pursued by ordinary physicians.

He Reads Your Diseases and Disposition,

Tells Which Parent You Resemble Most;

And other important matters concerning hereditary disease, and diseases.

Without Asking a Question

or having any knowledge of the case whatever. Touching this point old Dr. Morrison and Dr. Jackson both said: "I can tell now, Doctor, that you can do it, because you can demonstrate it, but it's a mystery to me HOW you do it."

This, of course, applies only to chronic cases. In office general practice Dr. Manville pursues the usual course of regular physician, and charges the usual rates.

Dr. Manville and his Partner,

who is also a skillful physician, have rented a hand some property and furnished it elegantly. Patients from all parts of the country come to him, and he can have pleasant accommodations at reasonable rates.

Electrical Baths, Vapor Baths, Turkish Baths, and all the latest curative appliances of Medical Institutes will be used here.

Office at Present, Room 8, 2nd Floor, over Post Office.

127 Night calls made at the office promptly attended to.
